

# Community Connections Team Covenant

## The purpose and goals of our team are to:

1. Bless our city (and the greater Concord area)!
2. Equip God's people for works of service in our community and connect them to opportunities to fulfill the good works God has prepared them to do.
3. Serve gracefully, sharing the good news of Christ in relationship and with permission
4. Equip those we serve to become servants and to help them grow to be fully devoted followers of Christ.

## Our team time commitments are as follows:

We will meet for one year after which we will evaluate our group and decide if we wish to continue.

We will normally meet twice a month on Sundays at Concord Christian Church from 4 pm to 6 pm and strive to start and finish on time. We also understand that there will be additional time involved as we share responsibility for planning, promoting and performing service projects as designed by the team and in response to the community needs.

## We will agree to the following principles:

**Attendance:** To give priority to the group meetings by being present and on time and communicate right away if we are unable to attend.

**Participation:** To share responsibility for the group and be attentive to team members with an open mind. We will seriously serve AND have serious fun by eating, praying, playing and serving together.

**Confidentiality:** To give priority to confidentiality as appropriate.

**Accessibility:** To give one another the right to call upon each another in time of need.

**Accountability:** To trust God to help us finish what we start and to be authentic about behaviors that need to be addressed. If a conflict arises, we will use Biblical attitudes and principles to resolve.

**Attitude:** To work with dedication and excellence as we represent Christ, Concord Christian Church and this team. We will be willing to try new things and reach outside our comfort zone as God leads.
